

Join Us Cisco on the Road

Cisco Networkers Event

Cisco Networkers is the premier education and training event in your area! Join us on-site to learn how Cisco's flexible, market-leading solutions can help you to deliver the critical business outcomes your enterprise demands.

Cisco Networkers events are geared towards organizations like yours, and offer a can't-miss opportunity not only to learn from Cisco's tech and thought leaders, but also to network with like-minded IT execs and partners who are facing and overcoming similar challenges. With tracks connecting the latest architectural solutions, including Cisco Enterprise Networks, Security, Data Center and Collaboration, with business needs and outcomes. You will also gain updates on product innovations and road-maps, demonstrations and best practices. Register today as space is limited!

The Technical Track allows you the option to register for morning and afternoon sessions.

When: Wednesday, November 11, 2015 8:00 a.m. - 6:00 p.m.

Where: Jacob K. Javits Convention Center, 655 W 34th St, New York, NY 10001

Space is limited.
